RESULTS FOR LIFE CAMPAIGN LAUNCH

America's health care system is in the midst of a profound transformation. Instead of simply treating disease, we are finding new and better ways to prevent illness and keep patients healthy. The **Results for Life** campaign will deliver to Members of Congress, policymakers, the media and other stakeholders new information about clinical lab testing and the vital role it plays in this rapidly-changing health care continuum. In addition, survey results measuring Americans' understanding and views towards clinical lab testing will be unveiled.

SPEAKERS: **Congressman Charles Rangel**, Chairman, Committee on Ways and Means, House of Representatives
Philippe Chiliade, MD, MHA, Family Health International; Former Medical Director, Whitman-Walker Clinic, Washington, DC
Bill McInturff, Partner and Co-founder, Public Opinion Strategies
Kelly Ripken, thyroid disease screening advocate and wife of baseball Hall of Fame legend, Cal Ripken, Jr.

WHEN: **Wednesday, April 18, 2007 ~ 3:00 – 4:00 p.m.**
(Refreshments will be served)

WHERE: **Capitol Hill ~ Washington, D.C.**
Room HC-6 in the Capitol Building

TO RSVP: Contact Cheryl Hawkins at 202-637-9466 or chawk@clinical-labs.org

###

"Results for Life," a campaign sponsored by the American Clinical Laboratory Association (ACLA) and its partners, strives to raise awareness of the vital role clinical lab testing plays in health care by highlighting the real-life stories of those whose lives were saved or impacted by laboratory testing. ACLA represents local, regional and national clinical laboratories throughout the United States.
