ACULABS, INC & MACHAON DIAGNOSTICS, INC. JOIN ACLA – ACLA MEMBERSHIP CONTINUES TO GROW AND DIVERSIFY

Washington, DC – The American Clinical Laboratory Association (ACLA) announced today that two distinguished laboratories joined as members, Aculabs, Inc, based in East Brunswick, N.J. and Machaon Diagnostics, based in Oakland, CA. ACLA membership now stands at a record 32 member laboratories and continues to diversify as its membership includes local, regional, and national independent, hospital, and ESRD laboratories.

“I am pleased to welcome Aculabs, Inc and Machaon Diagnostics, Inc. to the ranks of ACLA’s membership,” said ACLA President Alan Mertz. “These regional laboratories bring an invaluable perspective to ACLA’s membership that will benefit our advocacy agenda and help us educate policymakers on the tremendous value of laboratory services.”

Aculabs, Inc. is a full service laboratory that has provided superior quality laboratory testing for over 35 years and is dedicated to providing excellence in service to its clients. Aculabs, Inc is a fully-accredited laboratory and a participant in Medicare and Medicaid programs in New Jersey, Pennsylvania, Delaware and Maryland.

Machaon Diagnostics is a clinical reference laboratory, specializing in the diagnosis, treatment and monitoring of hemostatic and thrombotic conditions. Machaon Diagnostics has a defined vision to deliver customizable reference lab testing to the healthcare and bioscience industries. Machaon strives to provide a cost-effective solution for hospitals and laboratories in need of both rare and routine laboratory testing.

ACLA is a Washington, DC based non-profit industry association representing the nation’s leading laboratories.
